President's Report (Bruce Wilkins)

Another season (almost) closes in WA Little Athletics.

Once again, I use this space to thank the parents who consistently attended and ran the training sessions for our children. I know the athletes appreciate the effort you have made this season. I also acknowledge the Club Captains, Emily Rose and Matthew Morrison for being good role models for our athletes.

Thanks to Erina Male for the work on acquiring even more money, the \$416.88 for the Junior Sports and Equipment Grant and an overall very impressive year as our club manager. Well done, Erina! (Thanks also to City of Stirling). Thanks also to Pippa Holt-Brown for being a very efficient secretary.

Jackie Goldberg has worked frustratingly hard all season to make sure that all of us got to the right spot for rosters and I publically acknowledge her effort in this thankless role. Apart from a few big holes in our rosters when people failed to show up, in spite of Jackie's texts and emails... I am of the opinion that this has been pretty much one of our most hassle free season with respect to issues and support and thanks to our parents who keep sharing the responsibilities of the club especially on Saturday mornings and in the main, attending to all of the rosters which have been well patronised. Thanks therefore to the many parents who have assisted us, from helping out at training, to putting up the tents on Saturday's, BBQ and canteen duties, raffles for Hamersley and our set up and pack up days. Thank you to everyone for doing your share of the work! **Like always, I appreciate that you have recognised that we are ALL volunteers...and that your observations have all been directed at improvements rather than criticisms...**

p.s. If you manage to attend Hamersley Athletics on a Saturday morning and manage to see every event that your kids are involved in without volunteering for any site official or site helper positions then you must be on the Glendale committee or hold a Hamersley executive position (slightly sarcastic, I appreciate!); honestly, helping at a site is the BEST way to show your kids that you appreciate their effort and to help out Glendale and Hamersley. Sitting under a nice shady tree may seem a nice alternative but getting up and contributing to the running of the competition is what Glendale and Hamersley LAC both require of you. For the many contributors, well done from me and YOUR kids....for others please get on board...

Thank you to the **Glendale Committee** for their great support over the season:

In 2014-15 season it will be important for us to find a some extra coaching. I am finding the work commitments a little unpredictable and at times overwhelming and my daughter almost never attends at Glendale training sessions due to outside training commitments.

Well done to our athletes who have trained and competed over the season, I hope that a lot of PB's have been achieved. Good luck to Glendale athletes at the State Championships.

This report concludes my fourth year as Glendale's President. We do have a number of positions that need to be filled on the Committee for the 2014 -15 season and I urge you to volunteer where you can.

John Rose is **NOT** coming back as a coach or a committee member; hopefully, Emily will continue and he can be a parent for a year or two... I wish to thank him for the many years of tireless work that he has put into Glendale.

Likewise, I will be stepping down as president, in anticipation of being elected Hamersley President... uncontested, I bet... but I will be hanging around primarily as the High Jump coach at Glendale.

CLUB INFORMATION

AGE GROUPS

Children compete in age groups with the decisive date being 1 October each year. Children must be six years old and not more than 17 on 1 October to be eligible to compete. Sighting of a Birth Certificate or Passport is required for every new registration.

CLUB POINTS

Each child registered with the Club is eligible to win trophies, which are presented at the Club wind-up. Glendale Club points are scored by a combination of:

Performance points - awarded according to the athlete's performance in each event (i.e. time run, distance jumped or thrown, height jumped). This is scored on a sliding scale from 120 points (Centre record) down to 0.

TROPHIES

Glendale trophies are awarded on the basis of the highest accumulation of Performance and Participation points. In order to qualify for a Glendale trophy, under 7s, 8s & 9s must complete a minimum of 30 events. Under 10s, 11s, 12s, 13s, 14s, 15s, 16s & 17s must complete a minimum of 40 events. An award for 1st and 2nd in each age/sex will be made at season's end to the athletes with the highest accumulation of points achieved from a maximum of 10 of the 14 possible normal competition days i.e. Program 1 & 2 days. Two of these must be contested after the Christmas break. Achievement Awards are given to athletes who are not age group winners, but have completed the 30/40 events. Individual discretion is used in the case of older athletes who have study commitments. Encouragement Awards are given to athletes who have come to training regularly and/or competed in events in both parts of the season.

CLUB RECORDS

These will be recognised by the Glendale Club on all Program 1 and 2 days and Octathlon/Decathlon. Glendale records are recognised on all HLAC competition days held at Charles Riley Reserve.

EVENT AWARDS

These are presented to any athlete who has achieved various event milestones. The first award is the 100 Event, which usually takes at least two seasons to achieve, followed by a 200 Event plate, 300 Event plate, 400 Event plate, 500 Event plate and then a special award to athletes who have completed 7 years of competition or compete in U17 having completed 5 years of competition.
